Letter No. E.C. -399, dated the 20th July 1912, from the -- Postmaster General, Madras Circle, to the First Assistant to the Hon'ble the Resident in Mysore, Bangalore.

With reference to your endorsement No. 702, dated the 3rd February 1912, regarding the retention of the Chilur Branch post office, I have the honour to say that the Superintendent of Post Offices has not been able to get a suitable agent for the office on an allowance of Rs. 2/- per mensem. The income of the office does not justify a higher allowance. I therefore regret that I shall be compelled to close the office unless the Mysore Durbar can persuade the Village Schoolmaster to take up the appointment on an allowance of Rs. 2/-

To

Offg: Secretary to the Government of Mysore,

Sir,

Adverting to memo no: G. 688-G.dd. 69-11-92 dated 5th August 1912, forwarding copy of a letter from the Post-Master General and Calling for a report in the matter of persuading the Village School Master of Chikur to take up the appointment of Post-Master on an allowance of Rs 2f per mensem, I have the honour to state that it has come to my notice, that

Certain

Certain Village School masters are anxious if possible to divest themselves of the Post-masters function for the simple reason that it stands in the way of their absenting themselves from the Village whenever they like. They are in the habit of frequently leaving their Village, but contrive through the good will of the Village officials, that the absence does not come to the notice of their higher authorities. The visits of the inspecting officers are few and far between, and invariably they are given previous notice of the date of visit, so that they are easily enabled to be present on such occasions. The Post-masters duties will necessarily have the effect of tying them down to their villages.

2 It is this restraint and

and not merely the invariable meagre remuneration attached to the office that deters them from taking it up.

3 I would therefore venture to suggest, that in the interests of the Public, the Inspector General of Education may be directed to declare that it is the duty of the Village School masters whenever the occasion arises to be also ex officio Post masters, the remuneration to be paid being fixed by the Deputy Commissioner in Consultation with the Postal Department.

4. This arrangement will secure at once the double object of preventing the absence

of—

of the School master from the Village and of the Public reaping the benifit of Postal Service

Sir,

Your most obedient Servant.
